BEAUTY NEWS

LOCKED AND LOADED

Perfect for renters or those of us that aren't great at DIY projects, Everloc products require no tools or drilling and leave no surface damage. Available in 3 different ranges, there is now no excuse to leaving your hair dryer or straightener sitting on your bathroom sink (which not only looks messy, it can also be dangerous).

Prices start at \$9 for the Everloc range.

Visit www.everloc.com.au for more information and stockists.

3 NEW MINERAL MAKEUPS TO TRY

Dusty Girls Natural Mineral Foundation Powder RRP \$29.00

Dusty Girls is the new mineral makeup range by MooGoo. Keeping with the same philosophy as the MooGoo range, Dusty Girls Natural Mineral Foundation Powder is perfect for sensitive or troubled skin.

Arbonne Got You Covered Mineral Powder Foundation RRP \$53

This silky-smooth, feather-light mineral powder foundation conceals imperfections and provide buildable coverage. While the "no makeup" feel formula helps prevent moisture loss and creates a shine-free finish.

arbonneinternational.com.au

Mary Kay CC Cream Sunscreen SPF 15 RRP \$38.00

If you prefer a liquid, try Mary Kay's new CC Cream which has been formulated with mineral-based pigments. This "complexion corrector," delivers eight benefits in one step to leave
