EDITOR'S LETTER

Working from home

It's a great concept and one that seems to be taking off in a world full of freelancers and flexible working hours.

To get the most out of it, it helps if you have the right set up.

In Top Picks we've curated the gear to get you started, plus we chat to an organisation expert for their tips on getting, and staying, on top of all your paperwork.

In Beauty Spot, we look at how topical vitamin C can improve your skin.
